# Şirketimiz Hakkında

Kurumsal değerlerinden ödün vermeden mekanlara değer katan Emar İnşaat üretimden uygulamaya kadar tüm süreçleri yöneterek asma tavan çözümleri, aydınlatma, cephe ve bölme duvar sistemleri sunmaktadır. Firma, sadece standart projelerde değil; yeraltı metro hatları, havalimanları, yönetim binaları, hastaneler ve yoğun yolcu trafiğine sahip büyük kamusal yapılar gibi teknik uzmanlık gerektiren projelerde de üst düzey çözüm ortağı olarak yer almaktadır.

Deneyimli mimar, mühendis ve uygulama ekipleriyle projelerin tüm aşamalarında destek sağlayan Emar İnşaat yenilikçi yaklaşımı, tasarım–mühendislik uyumu, kalite ve sürdürülebilirlik anlayışıyla birçok prestijli metro istasyonu, havalimanı terminali, kamu yapısı ve özel sektör projesine başarıyla imza atmıştır.
